Notes:

Items being retired are still available for you to purchase as long as they are still in our inventory; the only difference is that the item will no longer be pictured in our catalog.

You can check availability of retiring items by going to the Jeweler's Only page of the Premier website. Under the *Ordering/Products* tab, select *Product Information*, then *Retired List* and then *Inventory Status*.

Retired items are still covered by the Golden Guarantee, so if you have a retired item that has a manufacturing defect, it can be returned for Replacement/Exchange as long as it is still available.
